NEW YEAR SUPERSTITIONS

Kissing at Midnight:

This ensures such affections and ties will continue throughout the next 12 months.

First Footing:

The first person to enter your home after the stroke of midnight will influence the year to come. Ideally he should be dark-haired, tall and good looking, bringing a small gift.

Nothing Goes Out:

Nothing! Absolutely nothing, not even garbage or shaking out a rug. The year must start with something being added to your home.

New Clothing:

Wear something new on January 1st to increase the likelihood of receiving more new garments during the year to come.

Money:

Do not pay back loans or lend out money on January 1st. Doing so is a guarantee you will be paying out all year.
