NEW YEAR SUPERSTITIONS

Kissing at Midnight:

This ensures such affections and ties will continue throughout the next 12 months.

First Footing:

The first person to enter your home after the stroke of midnight will influence the year to come. Ideally he should be dark-haired, tall and good-looking, bringing a small gift.

Nothing Goes Out:

Nothing! Absolutely nothing, not even garbage or shaking out a rug. The year must start with something being added to your home.

New Clothing:

Wear something new on January 1st to increase the likelihood of receiving more new garments during the year to come.

Money:

Do not pay back loans or lend out money on January 1st. Doing so is a guarantee you will be paying out all year.

Happy Birthday

Richard Bliskis - Jan 23

Welcome

We would like to welcome Connie Peterkin and Lois Cornwall to our home.

In Sympathy

The Management, staff and residents would like to extend their deepest sympathies to the family of friends of the late Donna Whitehead and Fred Hardy.
