

LEAP YEAR

What's another name for Leap Day? (Ladies' Day.)

The tradition is that a woman is not allowed to pop the question herself, except on one day every four years. You guessed it, on February 29. It is believed this tradition was started in 5th Century Ireland when St. Bridget complain to St. Patrick about women having to wait for so long for a man to propose.

So, according to legend, St. Patrick said that the yearning females could propose on this one day in February during the leap year.

Can you remember the words to this old saying:

**Thirty days hath September,
April, June and November;
All the rest have thirty-one,
Excepting February alone,
Which hath but twenty-eight, in fine,
'Til leap year gives it twenty-nine.**
