Medical Director Retirement

Dr. Parnell will be retiring from the position of Medical Director and as an attending physician of our home as of October 1, 2024. We will miss his leadership, guidance and excellent care provided to all our residents over the many years he has been part of our home. We wish him the best on his well deserved retirement.

We are pleased to announce that Dr. Garrett Mosey will be taking over as our new Medical Director as well as the care of all our residents previously under Dr. Parnell. Dr. Mosey lives locally and specializes in Hospitalist Medicine and Palliative Care. Please help us welcome Dr. Mosey to our home when he starts in October. Thank you.

Yours truly,
